

Estate Wines of Macedonia, Greece

CABERNET SAUVIGNON, MANOLESAKI DRAMA VALLEY, MACEDONIA

Strawberry isn't a typical Cabernet descriptor, but it applies to this wine, which also boasts more classic notes of dried herbs, leather and cedar. Supple tannins make this Cabernet instantly approachable. Grape Variety: Oak Aged Cabernet Sauvignon

MERLOT, MANOLESAKI ADRIANI VALLEY, DRAMA - MACEDONIA

Firm yet fleshy, this Merlot boasts chunky black-cherry fruit swaddled in layers of toast and dark chocolate. It's medium-weight, graceful enough to drink with food, but it's still chewy enough to drink on its own. Grape Variety: Oak Aged Merlot

ESTATE WHITE, MANOLESAKI DRAMA VALLEY, MACEDONIA

This interesting blend boasts aromas of preserved lemons and fresh herbs, then turns a bit plumper in the mouth, with nectarine flavors joining in. Tart and high-acid on the finish, making it a natural with oily seafood dishes like fresh sardines. Grape Varieties: New Oak Aged 60% Sauvignon Blanc, 40% Chardonnay

ESTATE RED, MANOLESAKI DRAMA VALLEY, MACEDONIA

A bit rustic and tannic, but also shows solid, ripe berry and cherry fruit. Hay, horse and spice notes add nuance without burying the fruit. Grape Varieties: Oak Aged 40% Cabernet Sauvignon, 35% Merlot, 25% Syrah

SAUVIGNON BLANC/RODITIS, MANOLESAKI DRAMA VALLEY, MACEDONIA

This blend combines ripe stone-fruit elements of nectarine and peach with firm mineral notes and a hint of anise on the lingering finish. Slightly herbal, but speaks more of ripe fruit, making for a pleasant, medium-weight sipper. Grape Varieties: New Oak Aged 60% Sauvignon Blanc, 40% Roditis
